--

C. Total project costs (consistent with project budget):	
D. Source of matching funds (verification required): <i>matching funds must be from a non-city source</i>	
E. Length of project (months):	
F. Anticipated completion date:	
G. Amount Requested from the City (Max of \$20,000)	

Acknowledgement & Agreement

I acknowledge receipt, review and acceptance of all requirements of the Downtown Building Assistance Program, and certify the information I provided is true and correct according to my best knowledge and belief, and that it is unlawful to willfully withhold information or make false statements, and that I am subject to prosecution if I do so. I further acknowledge, agree, and affirm that:

1. I have read and understand the program guidelines for the City's Downtown Building Assistance Program, including the City of Rocky Mount's Administrative Policy concerning the Downtown Building Assistance Program, available at <http://www.downtownrockymount.com>. I agree to follow these policies if selected as a recipient of the Downtown Building Assistance Program grant.
2. Reimbursement or payment will only be made for materials and labor not performed by the owner. I understand reimbursements will not be made for labor completed by the owner or materials obtained by the owner. However, labor performed by the owner may be credited as match for the grant provided that the labor can be verified, the labor is applicable to the project approved for funding and the labor rate is reasonably in-line with market rates. I understand these expenses may potentially be considered as a match of the City's grant in the discretion of the City's staff. I understand that no expenses incurred more than three (3) months prior to submission of this Application will be considered for purposes of determining a match of the City's grant.
3. City staff may visit and inspect the property described in the Application prior to determining whether or not to approve this application. If this application is approved, I/we further agree to allow City staff to visit and inspect our property at any time while project work is being completed.
4. City staff may contact and request additional information, if necessary, to complete review and prepare recommendation to approve or deny this application.
5. If this application is approved, I will have to review and sign an award agreement outlining all specific requirements with respect to the scope of work, recipient responsibilities and compliance with applicable regulations.
6. The City will verify the record ownership of the Property as well as any liens, defects or title impairments, which the City determines, in its sole discretion, deems may negatively impact this Grant. If the City determines that the chain of title to the Property is defective, it will provide Applicant with notice of the defect as well as thirty (30) business days to cure the title defect. The City will be allowed ten (10) days after receiving notice from Applicant that the title defect is cured to verify that the title defect has been cured. If the title defect is not cured to the City's satisfaction, the City may void this Agreement.
7. The Grant will be subject to recapture on a pro-rata share, determined on a monthly basis until 36 months are complete. The Grant value will be reduced monthly for 36 months and any remaining pro-rata amount prior to 36 months will be subject to repayment. Recapture is triggered only if Applicant or Applicant's successor in interest fails to maintain a business presence that is substantially similar to the business described in the Application on the premises of the Property that is benefitted by the Grant.
8. If this application is approved, I will have to sign agreements releasing and indemnifying the City from any liability associated with this project. I understand that by signing this application, I waive any claim against the City of Rocky Mount ("the City") arising out of the use of said grant funds for the purposes set forth in the Application. I agree to hold the City harmless for any charges, damages, claims or liens arising out of the Applicant's participation in the Downtown Building Assistance Program.

9. The Downtown Building Assistance Program is a grant that is funded as a reimbursement grant. I acknowledge that the Downtown Building Assistance Program is a grant that can be funded one of two ways:
 - a. As a reimbursement grant, requiring me to accept full responsibility for all costs associated with scheduled project work. I further acknowledge that I will be reimbursed upon completion and approval of renovations by inspections.
 - b. As direct payment to contractor upon completion and approval of the work by the City. If direct payment to contractor is chosen, I further acknowledge the contractor will be required to register as a vendor with the City and complete any and all necessary steps and requirements of the City in order to receive payment. I further acknowledge that if this funding option is chosen that I will obtain and present certificates of property and general liability insurance for no less than \$1 million in coverage.
 - c. All work must be completed within six months of the award of the grant.
10. The City will not manage this project nor provide advice on engineering, construction, or vendor selection.
11. Any award will be for no more than 50% of submitted, itemized project costs up to \$20,000, and will be based on the lowest submitted bid, no matter which bid is awarded the contract(s).
12. I will have to submit a minimum of three (3) bids for any contracted work included as part of the proposed project. I acknowledge that the award will be based on the lowest submitted bid.
13. Final reimbursement will only be approved upon satisfactory completion of all project work, including proper debris removal, and approval of work completed by City inspection staff. I understand that if the work is not satisfactorily performed, I will be notified by City staff and allowed up to thirty (30) business days to correct the unsatisfactory items. I understand that failure to correct these items in a timely manner will result in loss of the Downtown Business Assistance Program grant.
14. The City of Rocky Mount may use illustrations, photographs, and/or other images of this project for reports, publications and advertisements, both print and electronic.
15. The City of Rocky Mount does not require, but reserves the right to conduct investigative background checks on applicants, including but not limited to the areas of credit history, criminal history, and other relevant information.
16. I may appeal denial of this application to the Central City Revitalization Panel within seven (7) business days of the application's denial. I understand that in making this appeal, I must also provide written notice of the appeal to the Downtown Development Manager with a specific statement providing the basis of appeal. I understand that the CCRP will hear the appeal at the next regularly scheduled meeting after receipt of a timely filed appeal and that the CCRP will render a decision on the appeal within seven (7) business days of that meeting.

By signing below, the Signatory acknowledges that he/she is duly authorized to act on behalf of the Applicant and that the Applicant is properly organized and licensed to conduct business in the state of North Carolina.
